Headline:
Cold and windy with blustery showers on Thursday.

This Evening and Tonight:
Rain for a time during evening but this will clear south. Otherwise, strong northerly winds will push showers across the country, these frequent and heavy in the north and wintry over the hills.

Thursday:
Cold, showery day with strong northerly winds, reaching gale force in far north. Showers frequent and heavy in the north and wintry across hills. Drier and brighter in the south.

Outlook for Friday to Sunday:
Friday brings an improvement with showers dying out as northwest winds ease. Turning milder Saturday as winds back southwest, pushing rainbands across the country. Sunshine and showers for Sunday.
